Mustang Band

Information and Summer Band Schedule

Yes, we're excited about the 20178 Mustang Band and are glad you're aboard for a great ride. We expect this year to be even better than the last.

*In order for us to be prepared for next year, many things have to begin now. One of the most important items is the dates for summer band practice. These are very important in the preparation for football season. Included also are the requested dues for band. These are essential in order for us to be able to prepare for the fall and to allow us to pay for many items including transportation and outside instruction. Please don't let money keep your child from being in the **Mustang Band**. Don't hesitate to contact Mr. Hunt in order to work out arrangements if need be.*

Mustang Band dues for the entire year are \$250.00. Here is the payment schedule. You may pay all at one time if you wish.

\$50.00 due by May 15
\$100.00 due by July 17 – 21
\$100.00 due by Sept. 8

All dues can be paid at one time or in installments as indicated. Arrangements can also be made for monthly installments. Families that have more than one child in band will only have to pay 200.00 for the second child and any other family child. Keep in mind that dues are very important to the band program. The dues go toward summer band instruction, transportation, uniform upkeep, band shirt and hat. **Band shoes for new members need to be purchased and they cost approx. \$40.00.** We will let you know this at summer band when we measure to order. **If your child is using a school instrument, there is a \$25.00 per semester maintenance fee.** Please check our website at www.walkervalleyband.com to keep up to date on everything.
